

Parkview School Administrative Report

12-19-16

Parkview Parents Club: Parkview Middle School is interested in parents or guardians of students who attend Parkview School to form a new Parkview Parents Club. In recent years, there has been one (1) Parents Club providing assistance to La Salle Elementary School and to Parkview Middle School. The thought is that having a Parkview Parents Club will be able to provide more assistance to our students at Parkview Middle School. Included in the December Newsletter is a survey the membership of the new Parents Club would like for all parents or guardians to fill out and to turn back into the office at Parkview Middle School on Tuesday, January 3, 2017. A copy of the survey is also available on the Parkview Middle School website. Please call the office at 698-3610 for questions about the new Parkview Parents Club.

Student Council Update: The Student Council has established a goal to install a new (6) seat swing set on the campus of Parkview Middle School. The Student Council has adequate funding to move forward with this project. The Student Council is in the process of scheduling the installation in the Spring of 2017.

Girls On The Run of Central Illinois: Ms. Jones, Mrs. Nena & Mrs. Wettstein are interested in getting girls at Parkview Middle School involved in the Girls On The Run of Central Illinois Program. Ms. Jones, Mrs. Nena & Mrs. Wettstein are interested in implementing the Heart and Sole program for the girls in grades 6th – 8th grade. The team size consists of 8-15 girls to accommodate team building and group dynamics of the curriculum. The program incorporates physical activity to teach social and personal skills. The curriculum topics include: body image, negative self-talk, peer pressure, gossip, nutrition, substance abuse, making healthy decisions, living with gratitude and contributing to the community.

At the end of the season, the girls are invited to participate in a celebratory, non-competitive Girls on the Run 5K event. More information will be provided in the future.

8th Grade Boys' Basketball- Bradley Men's Basketball Game

8th Grade boys' basketball coach Larry Brenton will be taking the 8th Grade boys' basketball team members to a Bradley men's basketball game on January 29 at 3:00 PM.

D.A.R.E. Update: Chief Dale King recently visited our school and communicated that Officer Shannon Sheridan would be trained to provide D.A.R.E. Instruction to our students. The training should be completed by the end of February. We are looking forward to being able to provide drug education prevention program to our students.

8th Grade Students Attend Pearl Harbor Day Event : 8th Grade students from Parkview Middle School attended a 75th Anniversary Commemorative Pearl Harbor Ceremony at the War Memorial. There was a picture of some of our students in the Thursday edition of the Peoria Journal. This was a nice event to mark the 75th Anniversary of Pearl Harbor.
